Dear Parent,

Naipunnya has always been giving special care for the students and parents of Naipunnya. Now it is time to admit LKG students for the academic year 2020-21. As seats are limited and admission pressure is increasing day by day, we thought of giving priority to the siblings of students already studying here. Hence registration forms for siblings will be issued on 19/7/2019 and 20/7/2019. Kindly note the following schedule and adhere to it. **No reconsideration will be allowed after the deadlines.**
