NPSK/JULY 2020

29.07.2020

Dear Parent,

Naipunnya has always been giving special care for the students and parents of Naipunnya. Now it is time to admit LKG students for the academic year 2021-2022. As seats are limited and admission pressure is increasing day by day, we thought of giving priority to the siblings of students already studying here. Hence online registration for siblings will be opened on 10. 08. 2020 to 13. 08. 2020. Kindly note the following schedule and adhere to it. No reconsideration will be allowed after the deadline. For online registration log on to school website: www.naipunnya.org.in.
